CNW LADDER ADJUSTMENTS – MEN'S 1ST AND 2ND GRADE

Following an audit of the CNW 1st and 2nd Grade ladders following some feedback from clubs, there has been a number of adjustments which have effected ladder points due to errors in closing off match results in two-Day matches.

The adjustments made are outlined below:

- **Ulverstone 1st Grade** – adjustment of two match results to be outright victories instead of two first innings victories which were in the system – as a result an additional 16 points are now on UDCC total.
- **Latrobe 2nd Grade** - adjustment of one match result to be an outright victory instead of a first innings victories which was in the system – as a result an additional 8 points are now on LCC total.

These adjustments have been made in PlayHQ now and ladders on the PlayCricket App should be updated accordingly (or will be very soon).

If clubs believe there may be any other errors in ladder points or bonus point calculations please contact Cricket Tasmania staff.

PLAYHQ STATS UPDATES AND ASSISTANCE

Throughout the season, it has been noted that some match details—such as catches and run-outs—have been missed when entering scores into PlayHQ or during Live Scoring. Additionally, if a player has participated as a fill-in before officially registering, their stats and qualification match can be updated accordingly.

To ensure all statistics and player awards are accurate at season's end, clubs with written records of missing catches, run-outs, or other discrepancies are encouraged to send these details to Mitch Jones (mjones@crickettas.com.au) for assistance with updates. Your help in keeping records accurate is greatly appreciated.
